

## Post-Webinar Information

### Follow-up Activity

- **Reflective Discussion:**
  - What new insights did you gain from the session about becoming a dental hygienist?
  - How do you see this role aligning with your interests or career goals?
- **Interactive Task:**
  - Use the NC Careers ([www.nccareers.org](http://www.nccareers.org)) website to explore job postings for dental hygienists in your area.
  - Research scholarships or incentives like the [NC Scholarship Program](https://nextncscholarship.org/) (<https://nextncscholarship.org/>)
  - Explore local healthcare scholarships for students pursuing nursing and related fields in healthcare. For more information, visit: [Healthcare Scholarships](https://nencpathways.org/uncategorized/healthcare-scholarships/) (<https://nencpathways.org/uncategorized/healthcare-scholarships/>)

### Career Comparison

If you've participated in other WorkVibes sessions, compare the role of a dental hygienist with other careers you've learned about:

- What are the similarities and differences in required skills, environments, or growth opportunities?
- Which career feels like the best fit for you, and why?

### Additional Resources

- [NC Careers](#) for job insights and tools.
- [Halifax Community College Dental Hygiene Program](#).

### Feedback Request

Complete a short survey about your experience in the webinar and what you'd like to learn in future sessions.
